About Us

At Beresford Funeral Service, we believe in providing a different kind of funeral experience; one that is both dignified and affordable. Based in Houston, Texas, our award-winning funeral home is a natural extension of The Pine Box, a trusted provider of high-quality funeral merchandise at significantly lower prices. Founded by Chip Beresford, The Pine Box was created to address the high costs traditionally associated with funeral services, offering discounted caskets, cremation urns, cemetery markers, and more. The overwhelming success of The Pine Box led to multiple locations serving the Houston area. Now, with Beresford Funeral Service, we are bringing that same commitment to affordability and value to funeral and cremation services.

Chip Beresford has dedicated his career to educating families on how to navigate the funeral industry without unnecessary financial burden. A sought-after speaker, he has appeared as a guest at churches and various events, offering valuable advice on saving money while still honoring loved ones with dignity. His insights have been featured on both local and national television and radio programs, as well as in notable publications like *The Houston Chronicle* and *Texas Monthly Magazine*. With decades of experience, Chip remains a passionate advocate for transparency and affordability in funeral services, ensuring that families have access to high-quality options without excessive costs.

Beresford Funeral Service is dedicated to offering meaningful and personalized services at prices that are unmatched in the Houston area. We encourage families to honor their loved ones in spaces that are significant to them; whether in their own homes, churches, community halls, or other meaningful locations. Of course, for those who prefer a traditional setting, we also offer a welcoming funeral home facility for visitations, memorials, and funeral services.

Our goal is to provide families with flexibility, affordability, and a deeply personal experience. Whether you require immediate assistance or wish to plan ahead, we invite you to reach out to us and discover how Beresford Funeral Service is disrupting the funeral industry with compassion and cost-conscious solutions.
